Supper Table Gossip

Stationmaster Ed. Sinclair found two "tourists" without transportation riding in a storage baggage car last night enroute to the east. They were sitting on the floor and behind the gate in the car. At his suggestion these tourists left their private car here and paid for their transportation from Gadsden station, where they said they had boarded the car.

The local offices of the United States Biological Survey are being consolidated and moved from their former location at 213½ West Central to the upper floor of the French building at Fifth and Central. This will give more room as well as an abundance of outside windows. The laboratory of the survey, which has been maintained at 515 North Third street, will also be moved to the French building.

The navy recruiting station 211½ West Central avenue has received the following information: "Authority granted. Accept for enlisted minors who are 17 years of age, who are qualified in all other respects, provided parents execute necessary consent papers. Height, 5 feet, 2 inches. Enlistments to be made for three years or period of minors."

The Woman's Exchange will be opened at the W. C. A. recreation center in the evenings afternoons. Articles to be sold are being offered by the members of the board of directors for the opening sale. The children of the county boy and girl clubs also have a few articles for sale. In addition to the fancy work and the other usual exchange articles, home cooking dishes will be offered. Articles should be brought to the Y. W. C. A. on Saturday morning. The sale will be conducted once a month during the summer.

Born to Mr. and Mrs. J. H. Salazar of 522 West Iron Avenue a daughter weighing 11 pounds.

The regular meeting of the Christian Endeavor society of the Congregational church is to be held at the church parlor Friday night. Election of officers for the next six months is to be held. Refreshments will be served.

The meeting of representatives of ice company employees with officials of the company for the purpose of discussing wage controversies which was to have been held today has been postponed until tomorrow when G. N. Marston, president of the ice company is expected to return from Santa Fe.

Patricia Aranda, who was injured in a mine accident at San Pedro this morning, was brought to the St. Joseph's hospital at 11 o'clock. He has a broken collar bone and minor injuries. He is a brother of the producer in the "White Star."

The Congregational Mother's Circle meeting at the W. C. A. Roll Call party will be held tomorrow afternoon at the home of Mrs. H. L. Snyder, 1422 West Marquette, from 2 to 5. A good program has been arranged and all are urged to be present.

The price winning subscription game of William Robinson, alleged magazine agent who was fined here for selling subscriptions under protest, has been suspended as State Auditor Tolson sent to the sheriff's office from Walter Hoff and Eddie Starkland of Baison reports that they also were victims of Robinson's game. The sheriff's office has advised district points to look out for a magazine agent but has no authority to arrest the man.

Boland Sauve and company has filed a complaint against the Citizens National bank and Arthur Chaudron asking for a writ of replevin on a \$2,000 Packard automobile which was purchased by the plaintiff from Barbara J. Hiltz. It is claimed that the automobile is wrongfully detained by the bank on a bill of exchange drawn by Chaudron under another previous Mr. Chaudron claims to have equity to the car.
